

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.1	1	5	QA	Do the staff and the organization promote an environment that respects the person and treats them in a dignified manner?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to respect and dignity. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, and DSP training.
CQ.2	1	3	QA	Is the person's right to privacy acknowledged and practiced?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to respect and privacy. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, and DSP training.
CQ.3	1	3	QA	Is the person and/or their representative aware of actions they can take if they feel they have been treated unfairly, have concerns or are displeased with the services being provided?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to rights and choice. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, Internal Resolution and DSP training.
CQ.25	1	3	QA	Is the person and/or their representative able to communicate and/or demonstrate their rights as a consumer of waiver services?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to rights. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, Internal Resolution, DSP training and Waiver Service Rules.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.A	1	0		Does the person exhibit behaviors/symptoms that would benefit from the implementation of a BSP?	
CQ.A.1	1	3	QA	If needed, has a BSP been developed or is one currently under construction?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP development. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, Behavior Support, DSP training and Waiver Service Rules.
CQ.A.2	1	5	QA	If there is a BSP, does it meet the requirements set forth in DDS policy?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP development. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, Behavior Support, DSP training and Waiver Service Rules.
CQ.A.3	1	5	QA	If there is a BSP, is it monitored for progress or need for revision?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP monitoring. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, IMEU, Behavior Support, DSP training and Waiver Service Rules.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.A.5.14	1		QI	If there is a BSP, was the provider able to show progress in this review period toward meeting the requirements identified in the fade plan?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic behavioral supports for the person and shows improvement as outlined in the BSP, or modifications to the BSP to better create an environment for improvement.
CQ.B	1	0		Does the BSP contain restrictive components?	
CQ.B.1	1	3	QA	If there is a BSP, is there evidence the BSP has been reviewed and approved by the agency HRC?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP implementation and human rights. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, Restrictive Control Review Committee, IMEU, Behavior Support, DSP training and Waiver Service Rules.
CQ.B.2	1	3	QA	If there is a BSP, is there written evidence the BSP being implemented has been approved by the person and/or their guardian?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP implementation and human rights. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, Restrictive Control Review Committee, IMEU, Behavior Support, DSP training and Waiver Service Rules.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.B.3	1	3	QA	If there is a BSP, is there written evidence the BSP being implemented has been approved by the person's interdisciplinary team?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP implementation and human rights. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, Restrictive Control Review Committee, IMEU, Behavior Support, DSP training and Waiver Service Rules.
CQ.B.4	1	3	QA	Did the provider complete all action steps to ensure approval by the DDS RCRC?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to BSP implementation and human rights. This includes, but may not be limited to the following DDS policies and procedures: ISP, Human Rights, Restrictive Control Review Committee, IMEU, Behavior Support, DSP training and Waiver Service Rules.
CQ.C	1	0		Was an emergency use of a restricted control used with the person in the past year?	
CQ.C.1	1	5	QA	If there was an emergency use of a restrictive control, was it reported per current DDS policy?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the emergency use of restrictive controls. This includes, but may not be limited to the following DDS policies and procedures: Human Rights, Restrictive Control Review Committee, IMEU, and Behavior Support.

Provider Certification Review Day Habilitation Services 10.1.14

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.C.2	1	5	QA	If there was an emergency use of a restrictive control, was the incident reviewed by the person's team in accordance with current DDS policy?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the emergency use of restrictive controls. This includes, but may not be limited to the following DDS policies and procedures: Human Rights, Restrictive Control Review Committee, IMEU, and Behavior Support.
DH.50	1	1	QA	Is there documented collaboration between the day habilitation and residential providers in implementing the BSP?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the continuity of behavioral services. This includes, but may not be limited to the following DDS policies and procedures: Human Rights, Behavior Support, and the General Provisions Waiver rule.
DH.A	1	0		Does the person receive In Home day habilitation?	
DH.A.1	1	3	QA	If the person receives In Home day habilitation, did the day habilitation provider submit evidence to DDS that providing day habilitation services in the person's home is necessitated by the person's medical or safety needs and is consistent with the ISP and/or HCMP?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the delivery of services, in the least restrictive setting, for each person. This includes, but may not be limited to the following DDS policies and procedures: the ISP Policy and procedures, the IMEU Policy and procedures, the Health and Wellness standards, and the Waiver Service rules.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.34.14	2	5	QA	Do the staff promote and implement practices that ensures the safety of the person?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to ensuring people are safe. Safety could include ensuring people are educated about abuse and neglect, the proper staff ratio is maintained, the home has the required emergency supplies needed for the person, there are no environmental issues putting the person at risk, the staff's background does not put the person at risk, that staff can communicate with the person. This includes, but may not be limited to the waiver general provisions and the waiver service rules.
CQ.4	2		QI	Does the person currently feel safe and protected while receiving services from this provider?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic human care for the person and incorporates community best practice principles and standards in relation to what makes a person feel safe.
CQ.5.12	2	3	QA	Does the person know what to do and where to go in the event of an emergency and is it consistent with the written individualized emergency plan and in accordance with current DDS standards?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to individuals being safe during times of emergencies. This includes, but may not be limited to the following DDS policies and procedures: Waiver service rules and the Fire and Natural disaster Policy and Procedures.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.26	2	5	QA	Is there written evidence that each direct support staff that works with the person has received person specific training on all current documents, information and required supports relevant to the service being provided?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to staff training. This includes, but may not be limited to the following DDS policies and procedures: Waiver service rules, Health and Wellness Standards and the DSP Training Policy and Procedures.
CQ.27	2	5	QA	Are the Direct Support staff and their supervisors able to demonstrate competency in person specific training through conversation and actions?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to staff competency. This includes, but may not be limited to the following DDS policies and procedures: Waiver service rules, Health and Wellness Standards, BSP policy and Procedures, Fire and Natural Disaster Policy and procedure, IMEU Policy and Procedures, and the DSP Training Policy and Procedures.
CQ.D	2	0		Does the person have an identified need to use adaptive equipment or durable medical supplies?	
CQ.D.1	2	5	QA	Is the adaptive equipment or durable medical supplies in good repair?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to adaptive equipment. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards and Utilization of Local Dollars for Adaptive Equipment Policy and procedure.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.D.2	2	5	QA	Do staff know how to support the person in using the adaptive equipment or durable medical supplies?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to adaptive equipment. This includes, but may not be limited to the following DDS policies and procedures: Waiver service rules, Health and Wellness Standards, Fire and Natural Disaster Policy and procedure, Utilization of Local Dollars for Adaptive Equipment Policy and procedure, and the DSP Training Policy and Procedures.
CQ.D.3	2	5	QA	Does the person use the adaptive equipment or durable medical supplies to meet the prescribed need?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to adaptive equipment. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards, Fire and Natural Disaster Policy and procedure, Utilization of Local Dollars for Adaptive Equipment Policy and procedure, and the DSP Training Policy and Procedures.
CQ.E.14	2	0		Has the person been the recipient of a Serious Reportable or Reportable incident within the past year with this provider?	

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.E.1.14	2	5	QA	If the person been the recipient of a SRI or RI within the past year with this provider were steps taken to protect the person while the investigation was taking place?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to protecting people who have been the recipient of an SRI or RI. This includes, but may not be limited to the following DDS policies and procedures: IMEU Policy and procedures.
CQ.E.2	2	5	QA	If the investigation of the SRI was substantiated, were remedies put in place to avoid reoccurrence?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to protecting people who have been the recipient of an SRI or RI. This includes, but may not be limited to the following DDS policies and procedures: IMEU Policy and procedures.
CQ.E.3.14	2	5	QA	Was the incident reported within the required timeframe?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to protecting people who have been the recipient of an SRI or RI. This includes, but may not be limited to the following DDS policies and procedures: IMEU Policy and procedures.
CQ.E.4.14	2	5	QA	Was an incident investigation completed according to DDS guidelines?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to protecting people who have been the recipient of an SRI or RI. This includes, but may not be limited to the following DDS policies and procedures: IMEU Policy and procedures.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.E.5.14	2	5	QA	If there were remedies and/or recommendations associated with the incident, were they implemented in a timely manner?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to protecting people who have been the recipient of an SRI or RI. This includes, but may not be limited to the following DDS policies and procedures: IMEU Policy and procedures.
CQ.K	3	0		Is the person currently receiving Residential Habilitation, Supported Living or Host Home services? If yes, answer CQ.K.1 and CQ.K.2	
CQ.K.1	3	3	QA	If the person has health concerns, does the HCMP address those concerns?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to people's health. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.
CQ.K.2	3	3	QA	Is a current health passport that meets the requirements of the Health & Wellness Standards in the person's file?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to people's health. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.K.4	3	5	QA	Are protocols listed on the HCMP being implemented by all staff?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the implementation of a HCMP. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.
CQ.7	3	3	QA	If the person takes medication that has side effects which could potentially affect their active participation in services, are staff aware of the side effects?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to people's health. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, DSP Training Policy.
CQ.8	3	5	QA	If the person has health concerns that may impact the service, are staff aware of those concerns and able to explain the process for reporting?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to people's health. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, DSP Training Policy and the IMEU Policy and Procedure.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.9	3	5	QA	If the person has restricted mobility needs through the use of a wheelchair or other medical equipment, is there a clear and consistent plan for its use regarding positioning, and physical transfers, when equipment should be worn, etc.?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to people's health that have limited mobility. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.
CQ.11	3	5	QA	Are the staff that work with the person able to identify typical behaviors or habits of the person in order to detect any changes that need to be reported to the primary care giver?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to changes in peoples health. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.
CQ.F	3	0		Is the person prescribed psychotropic medications?	
CQ.F.1	3	3	QA	Is there an easy to understand information sheet for all psychotropic medications available to all staff that describes the potential side effects and potential adverse drug interactions that may occur from use of the medication?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the use of psychotropic medications. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.G	3	0		Does the person have special dietary needs?	
CQ.G.1	3	3	QA	If the person has special dietary needs, are staff able to articulate them?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the dietary needs of a person. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, and the DSP training Policy and Procedures.
CQ.G.2	3	3	QA	Is all documentation related to the diet consistent and presents a clear understanding of the person's dietary needs?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the dietary needs of a person. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, and the DSP training Policy and Procedures.
CQ.J	3	0		Does the person take medications during the time services are being provided by this provider?	

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.J.1	3	3	QA	If the person self-administers medication, is there evidence that an assessment has been completed?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the administration of medication. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, and the DSP training Policy and Procedures.
CQ.J.2	3	5	QA	Are the medications safely administered to or by the person?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the administration of medication. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, and the DSP training Policy and Procedures.
CQ.J.3	3	5	QA	If medication is administered to the person, is it done by a person trained in medication administration?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the administration of medication. This includes, but may not be limited to the following DDS policies and procedures: Health and Wellness Standards Policy and the Health and Wellness Standards, and the DSP training Policy and Procedures.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
CQ.13	4	3	QA	Does the provider create an environment in which self-advocacy and choice is encouraged, supported and taught?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the Quality Outcomes outlined in the Individual Support Plan policy and procedure for Choice and Decision Making. This includes, but may not be limited to the following DDS policies and procedures: the ISP Policy and procedures, the Waiver Service rules, Human Rights Definitions and the Internal Problem Resolution Policy and Procedure.
CQ.14	4	3	QA	Do the goals/objectives the person is working on match their priorities regarding their hopes, dreams and values?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the Quality Outcomes outlined in the Individual Support Plan policy and procedure for Choice and Decision Making. This includes, but may not be limited to the following DDS policies and procedures: the ISP Policy and procedures, and the Waiver Service rules.
CQ.15	4	1	QA	Is there evidence that the staff assigned to the person is acceptable to the person?	The intent of this indicator is to ensure provider compliance with all DDS Policies, procedures and published guidelines related to the Quality Outcomes outlined in the Individual Support Plan policy and procedure for Choice and Decision Making. This includes, but may not be limited to the following DDS policies and procedures: the ISP Policy and procedures, the Waiver general Provisions rule, and the Waiver Service rules.

Identifier	Domain	Weight	QA/QI	Indicator	Intent
DH.20	5	1	QA	Are opportunities provided for socialization and leisure activities in the community?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic human care for the person and incorporates community best practice principles and standards in relation to people being active and comfortable in the community.
DH.21	5	1	QA	Are staff aware of the person's desire for socialization and leisure activities in the community?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic human care for the person and incorporates community best practice principles and standards in relation to people being active and comfortable in the community.
DH.22	5	1	QA	Are opportunities provided for training and skill development that will increase participation in the community?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic human care for the person and incorporates community best practice principles and standards in relation to people being active and comfortable in the community.
DH.10	6		QI	Does the person spend time with people who have similar interests?	The intent of this QI indicator is to measure if the provider has initiated practices that go beyond providing basic human care for the person and incorporates community best practice principles and standards in relation to people meeting others with similar interests and developing relationships with people outside the service delivery system.
